

Art for Jr/Sr High Students Trimester 1

We will spend this year studying some popular artists and a few of their more famous works of art. Each week we will explore techniques utilized by famous artists. We will also explore art concepts such as, line, color, space...etc. to create some amazing art of our own!

Please note: Changes in the schedule may occur if the children need more time to complete a project. Also, works of art will be kept at co-op until the ART SHOW at the end of the year.

week 1: Lesson focus: Color Wheel and the Layout
Primary, Secondary and Tertiary Colors
Complementary Colors and Neutrals, Analogous
Colors
project: Make Our Color Wheels to Use this Year
