

## Course Description for the 2022-2023 School Year

Below you will find our Course Description List for the 2022-2023 school year. Please read the description, target age/grade, costs, and student responsibilities **carefully** before registering your student for any course. Please also consult the syllabus for each class, which you will find on the COURSES tab/page of our website. **You and your student are responsible for the information contained in these two documents.** FULL Year classes will be a FULL Year commitment and your child cannot switch for that hour. FULL Year-trimester contained classes allow students to move to new classes. Trimester classes are only for one trimester, with the possibility to continue for another trimester, at the discretion of the teacher. When you are ready, complete the **Family Registration** form and the **Course Registration** forms (see website for more details).
