

Course Description for the 2021 - 2022 School Year

Below you will find our course list for the 2021-2022 school year. Please read the description, target age/grade, costs, and student responsibilities carefully before signing your student for any course. Once you have made your choices, please also consult the syllabus for each class which you will find on the COURSES tab/page of our website, <http://michianachristiancoop.com>. You and your student are responsible for the information contained in these two documents. When you are ready, complete the **Family Registration form** and the **Course Registration form** (see website for more details).
