

Statement Of Faith

We believe in the one true God who is eternally and equally existent in 3 persons. God the Father, God the Son, and God the Holy Spirit. We believe that Jesus is the eternal Son of God, the Creator and Sustainer of all things. Via his miraculous conception in a virgin, Jesus took on a fully human nature-without losing any of His full deity.

We believe that all things came by direct creation of God, and not by evolution. The purpose of all things is to bring glory to God. Christians are to do this through the power of the Holy Spirit by pointing people to Jesus for salvation, learning to follow Him in our daily lives, and helping others to follow Him in their lives as.

We believe the Bible is God's Word to us. The Bible is God's way of speaking to us. The Bible is comprised of 66 books of the Old and New Testaments and is the only inspired Word of God still preserved. It is inerrant and is infallible in everything it affirms, and it is our authority and absolute truth in all matters of life of all things.

We believe sexuality is designed for marriage, which is to be between one biological man and one biological woman.
