Hello and welcome to Understanding Worldviews! We will cover the entire book over the course of this year. Students are expected to come to class prepared and ready to participate. All assignments should be completed prior to coming to class.

In order to complete this course I have amended the syllabus in the front of the Student Manual to fit our trimester schedule. Please follow the weekly assignment list below instead. Quizzes and tests will be administered and graded at home. We will discuss these in class. I will email (or text if you prefer) a website and passcode to the parents to print the quizzes, tests, answer keys and additional readings for the materials. An additional online video resource is available for the students. Check in the back of the Student Manual for the website and passcode.
