

# Build Through the Revelation

Kendra Walters [shrackney1@yahoo.com](mailto:shrackney1@yahoo.com)

Welcome to Build Through the Revelation! We will spend two trimesters reading and building through the Revelation of John. Before class each week, the students should read the assigned passage and then bring to class a creation they have made with Lego-type bricks to illustrate one (or many!) part of the reading. We will spend class time discussing the reading and sharing creations.

Students must be willing to participate in both discussing and sharing during class time.
