

Creative Writing Bits

Kendra Walters, instructor
shrackney@yahoo.com

Welcome to Creative Writing Bits! We will spend each week learning to flex our written creativity. Students must come to class prepared and willing to participate by sharing their work and offering constructive criticism to their classmates. Participation is MANDATORY!! Students can expect:

- to be challenged to make their writing more vibrant and enticing for the reader
- to have short homework assignments to complete most weeks
- to do short in-class assignments based on supplied prompts
